

Request for Proposals
School Food Service Management Contract
School Year 2017-2018

School Food Authority: High School for Recording Arts

A. Intent

This solicitation is for the purpose of entering into a contract for the operation of a nonprofit school food service for **High School for Recording Arts** referred to here as the school food authority (SFA). A Food Service Management Company submitting a proposal is referred to here as "Company." High School for Recording Arts (SFA) is Community Eligibility Provision (CEP) site. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students without the burden of collecting household applications.

B. Contract

The contract will be for a period beginning on or about **August 15, 2017** and ending **June 30, 2018**.

The contract will be for onsite food service management and the selected vendor will use High School for Recording Arts commercial kitchen for storage, preparation and serving of meals.

The contract will be for **fixed meal prices**. The standard contract template provided by the Minnesota Department of Education (MDE) must be used for the contract. No changes may be made to the standard contract unless preapproved by MDE.

The standard contract may be terminated for cause by either party with 60 days' notice. The contract may be terminated for convenience only upon mutual agreement of both parties.

The contract will be renewable for additional one-year periods, if mutually agreed to by SFA and Company, for up to **two** one-year contracts after the original contract. Price adjustments for renewed contracts will be limited to a Consumer Price Index (CPI) percentage announced by MDE each year.

C. Procurement Method

Procurement transactions for the expenditure of SNP funds must be conducted in a manner that provide for full and open competition consistent with program regulations, applicable federal grants management standards in 2 Code of Federal Regulations (CFR) 200 and 400, and applicable state law.

The weighted criteria that SFA will use to evaluate the non-price portions of proposals are attached to this RFP.

D. Proposal Submission and Award

1. Sealed proposals are to be submitted, in a sealed envelope marked "Food Service Management Proposal," to

Matthew Brown, Operations Director
High School for Recording Arts
1166 University Ave W. Saint Paul, MN 55104

Proposals must be submitted by **4pm on August 11, 2017** at the address shown above. No proposal will be accepted after the exact time specified.

2. The SFA reserves the right to reject any proposal for a sound, documented reason, and to reject all proposals if an insufficient number of proposals is received.
3. To be considered for award of contract, a Company must submit a complete response to this solicitation using the standard templates and forms provided. No modification may be made to the standard templates and forms.
4. Award will be made to a qualified and responsible Company whose proposal is most responsive to this solicitation.
5. A Company and its authorized representatives are expected to fully inform themselves as to the conditions, requirements and specifications before submitting a proposal. Failure to do so will be at the Company's risk and relief cannot be secured on the plea of error. SFA is not liable for any cost incurred prior to the signing of the contract by both parties.
6. If additional information is required, please contact **Matthew Brown** at **matthew@hsra.org**.

E. Pre-Proposal Meeting

A pre-proposal meeting to review the specifications, clarify any questions and conduct a walk-through of the facilities with SFA officials will be held on **August 2, 2017 at 1pm at: 1166 University Ave W. Saint Paul, MN 55104**. Attendance is required.

F. Gifts from Company

SFA's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors or potential contractors. To the extent permissible under state law, rules or regulations, such standards will provide for appropriate penalties, sanctions or other disciplinary actions to be applied for violations of such standards.

G. Selection of Manager

SFA reserves the right to interview and approve the on-site food service manager.

H. Employees

The current SFA food service employees will:

- Continue to be employed by SFA.

I. Meal Equivalents for A La Carte Foods

The meal equivalency factor for school year 2017-18 is \$3.45 (total federal reimbursements and USDA Foods for a free lunch in 2016-17).

The meal equivalency factor will be used to determine the number of meals that the a la carte food service is equivalent to, for the purpose of paying Company for the a la carte food service.

The factor is based on the rates of federal reimbursement for a free school lunch plus the per-meal USDA Foods entitlement value. Net a la carte revenue (excluding catering) will be divided by the equivalency factor of \$3.45 to determine the number of equivalent lunches for payment to the company. The factor will be updated for any year that the contract is renewed.

J. Costs and Fees

The Company will be responsible for the food service costs that are listed in the Cost Responsibility attachment. The per-meal prices proposed by Company on its Price Proposal will be the complete payments due to Company without any other charges for costs.

K. Evaluation Criteria

Proposals will be evaluated by a committee using the attached evaluation criteria and the weight of each criterion as shown.

L. Food Substitutions

Company will meet the following requirements for food substitutions and modifications:

1. The federal requirement to provide meal substitutions and modifications for students documented by a physician, physician assistant, or advanced practice registered nurse such as a certified nurse practitioner to have a disability.
2. The state requirement (Minnesota Statutes, section 124D.114) to provide lactose-reduced milk for students with lactose intolerance.
3. The SFA policy to provide substitutions for students without a disability upon written request of a recognized medical authority.
4. The SFA policy to provide a non-dairy fluid milk substitute that is nutritionally equivalent to cow's milk for students with a medical or other special dietary need upon written request from a parent/guardian or a recognized medical authority.

M. Free and Reduced-Price Meal Eligibility

SFA will be responsible for the free/reduced-price meal eligibility processes, including distribution of meal applications, approval/denial and verification of applications, hearings/appeals, and direct certification.
